BACKGROUND

This year we holding the first open Asian IBIS Summit (Japan) meeting. Major Japanese companies operate in Tokyo and are affiliated with JEITA and IBIS.

Our objective is to reach out internationally to communicate with the local experts and to learn of regional concerns.

CONFERENCE LANGUAGE

The conference language is English, but we will plan for technical translations in English and Japanese. Presenters may optionally deliver in Japanese as long as an English version of the material is available.

IBIS SUMMIT

This meeting will be conducted as a formal IBIS Summit Meeting. Presentations will be archived in an electronic format on our Summit site and minutes of the meeting will be issued. However no formal decisions requiring votes will be planned.

CALL FOR PARTICIPANTS

People involved in IBIS model development, EDA tool development and digital circuit design are invited to participate to the Summit meeting. If you plan to participate, please register with the information below:

Name:
E-mail address:

Company:
Top-level Web Link:

Country:
Telephone:

Send to **BOTH**:

Bob Ross, Teraspeed Consulting Group   **bob@teraspeed.com**
Takeshi Watanabe, NEC Electronics Corp.   **takeshi.watanabe@necel.com**

SIGNUP DEADLINE: **September 7, 2007**

Because of limited space, advance registration is required.

CALL FOR PRESENTATIONS

We are seeking presentations from individuals who have IBIS experiences or issues. If we have to select presentations for the number of time slots available, we will give preferential consideration to presentations from Asia.

Presentation Format:	LCD Projection from meeting laptop computer
Time:	15-30 Minutes including questions
Electronic Archival:	All presentations will uploaded to our public IBIS Summit archives
Electronic Format:	Microsoft Powerpoint or Adobe PDF
Presentation Copies:	Available at the meeting for all attendees

Presentation Deadline: September 7, 2007 to produce meeting copies

If you plan a presentation, please **ADD** to the above registration information:

Title of Presentation:

Estimated Time:
(30 minutes or less)

We will notify you of acceptance and may follow up with questions when we form the program agenda.

Note: Vendor promotional or business information is prohibited. Submitted presentations must be in English, although the delivery can be in either Japanese or English.

Submissions from Asia are encouraged.

AGENDA

8:30	Sign In Asian IBIS Summit (Japan)
9:00	Presentations
12:00	Free lunch
12:40	Presentations
16:00	End of IBIS Summit Meeting
16:00	Open Discussion about EDA Model (JEITA-EIA/IBIS Meeting) Everyone is welcome
17:00	Welcome Party

The specific agenda is being developed. We expect seven or eight presentations covering a range of issues from existing customer experiences, existing clarifications and some of the future directions in IBIS to deal with technical advances.

Several major IBIS Committee presentations from IBIS officers or active members are planned

Several presentations on IBIS applications or modeling issues are expected from co-sponsor companies or their customers.

LIST OF NEARBY HOTELS AND TRAVEL RULES

Hotels in all price ranges can be found through internet searches. JEITA suggests the Tokyo Dome Hotel.

JEITA headquarters is located near several train stations (click image):
